Working to Better Serve

Every 6 months, our administrator and staff from other WISH facilities meet for a 3-day continuing ed conference where we learn new ideas, address upcoming changes in long term care, share experiences, and discover new ways to serve residents with the very

best care. This spring, our conference took us to Boise. Several long term care guest speakers participated and we also heard from members of WISH's recently formed CBRF Task Force which helps provide leadership and training for new RAs at Wellington Place at Hartford and other WISH communities.

If you're interested in joining our team as an RA or in another capacity, visit bit.ly/wishjobs and search by location to see available job opportunities.

Congratulations!

Wellington Place at Hartford would like to congratulate Christian Walding on completing his nursing program. Christian has been with us for 5 years and we will miss him.

Christian we hope all your dreams come true. - Your family at Wellington Place Hartford.
