Assisted Living • Respite Care Services

Our fearless leaders enjoying Kentucky Derby traditions at Carriage Healthcare's semi-annual continuing education conference held in Louisville.

Facility News

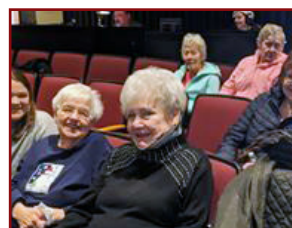

We added three new residents to our Wellington family this past month. We welcome Adeline K., Barbara O., and Cecilla "Tootie" H.

We enjoyed Falls Patio Players' production of Charles Dicken's A Christmas Carol for the second year in a row. Looks like this could be an annual tradition.

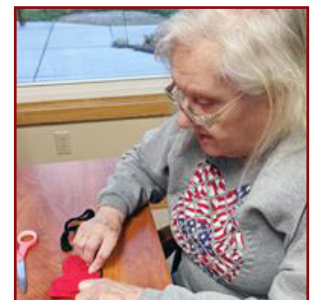

Friess Lake first graders came to practice their reading with us just before their Thanksgiving break. It was such a wonderful visit that the Principal and Superintendent shared in the fun. Thanks to Mrs. Rocco for reaching out to us. They promised to come back and read to us again for Dr. Suess' birthday read-a-thon in March.

Email Review

"I want to thank you and your staff, all of them, for being so very kind and supportive of all involved. I think the standards of Wellington are very high, and anyone could be comfortable sending a loved one to live there. Please keep up the good work. I always praise Wellington to others."

WISH List

Our fundraising goals include first and foremost a wheelchair accessible van of our own. Our goal has changed from \$8000 for a used minivan (a goal we did achieve thanks to you) to a much more substantial goal of \$50,000 for an 8+2 Wheelchair Accessible Bus. If you have already donated, or are unable to donate, perhaps you could help solicit donations from friends, local businesses, your employer, etc. As a non-profit, we appreciate any donations received which can be used as charitable donations for tax purposes.

Please encourage friends and businesses to donate at www.wellingtonplacehartford.org/donate and note in memo if it's to be used for van fund. We can more activities within our community if we have transportation for residents. Please consider donating to help us reach our new goal!

Do you know an Eagle Scout looking for a project? We have the perfect project! Looking ahead to spring and summer, we would like to finish the walking path around the pond. A flat crushed rock path would make the pond and our beautiful acreage accessible for all or our residents to enjoy.
