

Job Postings

We are hiring on all shifts for full- and part-time positions. If you are interested in working somewhere fun with competitive pay, great benefits, and a home-like atmosphere, Wellington Place is where you belong. No experience is necessary; we provide training. Stop in to pick up an application. We're excited for you to start this journey with us!

To see available positions, visit the Careers page on our website.

WISH List

We continue to ask for tax-deductible donations toward our 8+2 Wheelchair Accessible Bus. Please help us reach our goal of \$50,000 to help us purchase this much-needed vehicle which will help our residents get out into the community more and provide transportation to their appointments. Please donate online at our website (noting your donation is for the bus) or contact our office if you prefer to donate by check.

When you come to visit your loved ones, please feel free to join us in our activities. The more the merrier and more hands help activities run smoothly. We always welcome volunteers!

Some regularly planned activities include: Exercise, Monday-Friday at 10 am; arts and crafts on Mondays and Tuesdays at 3 pm; and making treats on Thursday afternoons. Bingo is at 2 pm every Wednesday. We used to have a family member who ran a Yatzee game on Wednesday evenings, and a volunteer for trivia on Monday evenings. Residents really enjoyed both activities; they also enjoy being read to also.

Many visitors come in the evening and on the weekends when Goo, the Activity Coordinator, is not here. If you'd like to do your own activity with a loved one, there are puzzles and games, adult coloring pages, cards and dices, dominoes and lots of craft supplies available to residents and guests in the activity room. Goo has ideas and materials if you need suggestions on an activity or craft!

Facility News

Residents had a lot of fun decorating for and learning about Mardi Gras. Mabel is the only one who had ever been to New Orleans for Mardi Gras. She was able to share her knowledge with all of us.

The Mellow Fellows entertained us with their musical talents on St. Patrick's Day. They came highly recommended by the folks at the Hartford Senior Center. March had a whole passel of birthdays to celebrate. What a great excuse for cake!

We have our Wellington team registered for the Washington County Walk to End Alzheimer's on September 19th this year. The earlier you join, the earlier we can start getting donations towards our team goal. We almost reached our team goal last year of \$2000. This year let's surpass that!

To join our team walk, or donate to our team goal: Visit bit.ly/38Fi7CT. Start your fundraising goal with a self-donation. Attendance on walk day is not required, but we hope you can be there for the empowerment and sense of community.

8:30 am Registration • 10:00 Walk Starts • Regner Park, West Bend

Baby goats visited us thanks to Heather Boden.

Joseph often enjoys riding the stationary bike.

HONORING OUR HEROES

First celebrated in 1955, National Superhero Day is observed each year on April 28. On this day we honor both fictional and real superheroes who serve and protect while fighting evil.

Fictional superheroes gained popularity in the 1930s and '40s with the debut of comic book characters including Superman, Batman, Wonder Woman and Captain America. Many of these characters featured "superpowers" such as the ability to fly, see through walls, become invisible, or move objects using only their mind. If you could have a fictional superpower, what would it be?

Comic book heroes are still very popular today. Over the last 12 years, superhero movies from Marvel Studios have grossed over 22 billion dollars worldwide.

Real-life superheroes may not wear capes, but they risk their lives each day to protect us. Brave first responders and dedicated caregivers always put others before themselves. These amazing, real-life superheroes include police officers, firefighters, emergency medical technicians, military personnel, doctors, nurses, nursing assistants and so many others.
